

Lautaro Alejandro Radboone Collovati

Extrovertido y enérgico es como me definen en mi círculo cercano.

Me gusta trabajar en equipo de manera constructiva.

Me considero alguien ambicioso pero no codicioso, detallista pero no perfeccionista, positivo y optimista pero también realista, además me considero objetivo y decidido en mis tareas, tengo buena memoria y ante situación inesperada trato de aplicar el pensamiento lógico.

Outgoing and energetic is how I am defined in my close circle. I like to work in a team in a constructive way. I consider myself ambitious but not greedy, detail-oriented but not perfectionist, positive and optimistic but also realistic, I also consider myself objective and determined in my tasks, I have a good memory and when faced with unexpected situations I try to apply logical thinking.
